

ONE PUTT WONDER

TERMS & CONDITIONS

1. Promoter

One Putt Wonder ("Competition") is conducted by Chatswood Golf Club Ltd (ABN 54 000 990 616), trading as Newgreens Chatswood ("Promoter").

The Competition is conducted at Newgreens Chatswood Golf Club, **130 Beaconsfield Rd, Chatswood NSW 2067** on the Himalayas Putting Green.

2. Competition Period

One Putt Wonder will take place **each Friday from 4:00pm**, commencing **2nd October 2026** unless otherwise advised by the Promoter.

Registration and participation times may be varied, postponed or cancelled due to weather, course conditions, operational requirements, safety considerations or other circumstances reasonably outside the Promoter's control.

3. Eligibility

Entry is open to individuals who meet the eligibility requirements determined by the Promoter.

One Putt Wonder is open to all ages. Entrants under 18 must have a parent or guardian present to register, pay the \$5 entry fee and collect any prize on their behalf. The same playing rules and prize conditions apply to every entrant.

The Promoter may require proof of age or identity before allowing a participant to enter or before awarding a prize.

Employees directly involved in conducting or judging One Putt Wonder and their immediate family members, if applicable are not eligible to participate.

4. How to Enter

To participate, entrants must:

1. complete the One Putt Wonder registration form;
2. provide the requested contact information;
3. accept these Terms & Conditions;
4. pay the **\$5 entry fee**; and
5. complete their putting attempt during the relevant Friday session.

Each \$5 entry entitles the participant to **one regulation putting attempt** for that week's Competition.

Maximum one entry per person per Friday

Registration alone does not entitle a participant to take an attempt until the applicable entry fee has been paid.

5. Competition Format

One Putt Wonder is conducted as a **putting skill competition**.

Each eligible participant will take one regulation putt from the designated starting position towards the designated hole on the Himalayas Putting Green.

A successful putt occurs when the participant's ball is holed in accordance with the Competition rules and accepted as successful by the Promoter's authorised representative.

All registered and paid participants for that day's Competition will be provided with their putting attempt.

The fact that another participant has successfully holed the putt earlier in the session does not end that day's Competition. All remaining eligible participants will retain their opportunity to take their registered attempt.

6. Determining the Winner

If **one participant** successfully holes the designated putt during the relevant week's Competition, that participant will be declared the winner and will receive the applicable jackpot.

If **two or more participants** successfully hole the designated putt during the same week's Competition, those participants will proceed to a tie-breaker.

The tie-breaker will consist of an additional putt from a position determined by the Promoter.

The participant whose tie-breaker putt finishes **closest to the designated hole** will be declared the winner of the jackpot.

If two or more participants remain tied following the tie-breaker, further tie-breaker putts will be conducted until a single winner is determined.

There will be no random draw used to determine the winner.

7. The Jackpot

The One Putt Wonder jackpot is made up of 100% of entry fees collected from registered players. Each \$5 entry is added directly to the jackpot.

If no player successfully holes the designated putt, the full jackpot will roll over to the following week, where it will be combined with the entry fees collected from that week's registered players.

The current jackpot value will be communicated by the Promoter from time to time.

The jackpot will continue to roll over in accordance with these Terms & Conditions until a winner is determined or the Competition is otherwise concluded by the Promoter.

8. Prize Payment

The successful winner will receive the jackpot applicable to the Competition in which the winning result is achieved.

The winner may be required to provide identification and appropriate payment details before the prize is paid.

The verified winner will receive the jackpot in cash at the conclusion of the weekly competition. The prize is not transferable to another individual.

9. Competition Officials and Disputes

The Promoter will appoint an authorised representative to supervise the Competition and determine whether a putt has been successfully completed.

Participants must comply with reasonable directions given by the Promoter or its authorised representatives.

In the event of a dispute regarding a putt, tie-breaker, eligibility or Competition result, the matter will be determined by the Promoter in accordance with these Terms & Conditions and the Competition rules.

10. Putting Conditions

Participants must take their attempt from the designated starting position and comply with any instructions given by the Competition official.

A participant must not intentionally interfere with another participant, the putting surface, equipment or the conduct of the Competition.

The Promoter may require an attempt to be retaken where circumstances outside the participant's control materially interfere with the attempt, at the Promoter's reasonable discretion.

11. Cancellation or Postponement

The Promoter may postpone, relocate or cancel a weekly One Putt Wonder session where reasonably necessary due to weather, unsafe playing conditions, course availability, operational requirements or circumstances beyond the Promoter's reasonable control.

If a session is unable to proceed, the Promoter will determine the appropriate treatment of registrations, entry fees and the existing jackpot in accordance with applicable law.

12. Disqualification

The Promoter may disqualify a participant who:

- provides false or misleading registration information;
- does not pay the required entry fee;
- breaches these Terms & Conditions;
- tampers with or interferes with the Competition;
- behaves in a manner that creates a safety risk; or
- fails to follow reasonable directions from Competition staff.

13. Personal Information

Personal information collected through registration will be used to administer One Putt Wonder, including verifying participants, administering entries, contacting participants where reasonably necessary and contacting or verifying a winner.

Personal information will be handled in accordance with the Promoter's Privacy Policy.

14. Marketing Communications

Participation in One Putt Wonder does not require an entrant to consent to receiving marketing communications.

Entrants may separately choose to receive news, offers, events and marketing communications from Newgreens Chatswood by selecting the relevant marketing consent option on the registration form.

An entrant's decision not to opt in to marketing communications will not affect their eligibility to participate in One Putt Wonder.

15. Acceptance of Terms

By registering for and participating in One Putt Wonder, participants acknowledge that they have read, understood and agree to these Terms & Conditions.

16. General

The Promoter reserves the right to reasonably amend these Terms & Conditions where necessary for the proper administration, safety or integrity of the Competition, subject to applicable law.

If circumstances arise that are not expressly covered by these Terms & Conditions, the Promoter will determine the appropriate outcome acting reasonably and consistently with the Competition's stated mechanics.
